

Certified Administration and Office Management Professional

Why Attend

What differentiates exceptional administrators from the rest of the crowd? What does it take to be a star administrator? This course gives essential and in-depth practical techniques that will enable you to excel at your workplace. In this course, you will learn multi-disciplinary best practices such as how to be a better business writer and a master communicator. This course also focuses on the importance of providing exceptional internal and external customer service and the impact of doing this. Moreover, you will thoroughly have the chance to discuss the effects of stress at the workplace and ways to turn stress to an advantage. You will also learn how mastering your effective usage of time will inevitably enhance your productivity and lower your stress level. Another topic you will delve into is organizing and running an effective and professional meeting. Finally, you will learn in detail, how you can improve your phone handling capabilities.

Course Methodology

This course uses interactive group and individual exercises, role plays and discussions. Inter-group discussions to share working experiences are also an important ingredient in the process. Skills are introduced and revisited at regular intervals throughout the course to facilitate reinforcement and to help participants remember them. The course also uses several self assessment exercises to pin point areas of strengths and improvements as well as action planning to ensure practical implementation of the learning objectives.
