

Advanced Communication Skills

Why Attend

Whether you communicate under pressure, manage challenges in interpersonal relationships, or look to build lasting rapport, your communication style and competence are the cornerstones for improving your chances of achieving your objectives.

The aim of this course is to assist you in becoming a more effective communicator by learning how to identify people's thinking patterns and preferred learning methods, and by tailoring your communication accordingly. Getting a better understanding of how you communicate with others as well as how others communicate with you will result in improved business and personal relationships. Moreover, this course will help you fine-tune the way you interact with others, which can be the key to your workplace and overall success .

Course Methodology

The workshop is designed to be interactive and participatory. It includes various pedagogical tools to enable participants to function effectively and efficiently in a multilateral environment.

The course will be built on four pedagogical pillars: concept learning (presentations by the consultant), role playing (group exercises), experience sharing (roundtable discussions) and exposure to case studies and scenarios.
