

Managing Conflict: Power through Influence

Why Attend

If not managed properly, interpersonal issues and conflicts within a team can derail the best laid plans. In this training course you will learn how to resolve the most problematic situations using a variety of approaches and proven techniques. You will identify your preferred conflict resolution style and learn how to adapt it to tackle the situation you face. You will also learn about influencing skills and the bases of power, how to apply them and when. In this training course you will be equipped with the ability to diffuse conflicts and use them as a platform for positive change.

Course Methodology

The course uses a mix of interactive techniques, such as brief presentations by the consultant and participants, role plays (rehearsed and impromptu), playback of videotaped performances and individual and group feedback.

Course Objectives

By the end of the course, participants will be able to:

- Define and understand the different sources of conflict
- Identify personal conflict resolution styles
- Apply influencing skills and explore relationships with others
